Eligibility and Qualification Requirements

To qualify for this Service, your checking and/or savings account, must meet criteria as dictated by us.

Fees

Campbell Employees Federal Credit Union does not charge a usage fee for this service. We reserve the right to start charging for this Service at any time. If an item you transmit for deposit is dishonored, rejected or otherwise returned unpaid, you agree that we may charge back the amount of the return to the account the check was originally deposited to and you will be assessed a return fee in the amount shown on our current rate and fee schedule. Internet data usage rates may apply from your Internet service provider or mobile carrier.

Equipment

To use Mobile Deposit, you must have a supported mobile device, such as a smartphone or tablet that is compatible with the Mobile Deposit APP, with a camera and a supported operating system, have a data plan for your mobile device, and download the App to your mobile device. We do not guarantee that all mobile devices and operating systems are compatible with the Service.

Receipt of Deposits

We reserve the right to reject any check transmitted through the Service, at our discretion, without liability to you. Campbell Employees Federal Credit Union is not responsible for processing or transmission errors that may occur, or for deposited items that we do not receive.

Cut-Off Times for Deposits

Deposits sent using Mobile Deposit may be “submitted” any time of day, weekend, or holiday. However, deposits received by us after the daily cut-off time for electronic deposits will be deposited the next business day, provided that the deposit meets all requirements. Deposits submitted on holidays or weekends will also be deposited the next business day, provided it meets all requirements. The daily cut-off time for electronic deposits is 2:00 pm EST and is subject to change without notice to you.

Availability of Funds Deposited

The first \$200 of your deposit that meets the criteria and is accepted, will be available at approximately 5:00 PM EST on the day of deposit. The remaining funds will be made available at the end of the second business day at approximately 5:00 PM EST. You will receive notification of any deposit that is NOT accepted.

Image Quality

The front and back images of an item transmitted to us must be legible. Items with poor image quality may delay the deposit process, and you may be instructed to deposit the

check using other methods. You agree that we shall not be liable for any damages resulting from items with poor image quality, including those related to rejection of, or the delayed or improper crediting of such a check, or from any inaccurate information you supply regarding the check or item.

Endorsements

All checks submitted for deposit through the Service must be validly endorsed, including required signature(s) and the account number into which you want the check deposited. You must also include the following restrictive endorsement: "For Mobile Deposit Only." Checks received that are not endorsed in accordance with this provision may be rejected. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

Errors

You must notify us of any errors, or suspected errors, related to the items deposited through the Service as soon as possible after they occur, and in no event later than 30 days after the related account statement is sent. You can contact us by calling 1-800-257-5354 or by visiting a branch. Unless you notify us within 30 days, the account statement containing the deposits made through the Services is deemed correct, and you cannot bring a claim against us for any alleged errors.

Deposit Limits

We may establish limits on the number of checks and/or the total amount of checks deposited using Mobile Deposit. These limits may change from time to time without notice. Items transmitted that exceed your limits may result in a rejection of the deposit.

Destruction of Original Check

Upon confirming that you received full credit for the check deposited, you must destroy the check by shredding or other means, or clearly mark "VOID" or "Electronically Deposited" on the front and back of the check. This prevents the check from being presented for deposit another time. You agree never to re-present to us or any other party a check or item that has been deposited through the Service. You will be liable for checks that are presented and/or deposited more than once.

You warrant to Campbell Employees Federal Credit Union that:

- b. Images will meet Campbell Employees Federal Credit Union's image quality standards.
- c. You will not transmit an image or images of the same check or item to us more than once and will not deposit or negotiate, or seek to deposit or negotiate, such check or item with any other party.
