Borrower Date

This Addendum amends your Loan Disclosure Statement and Agreement regarding your loan payment. By signing this agreement, you request that Campbell Employees FCU extend the due date of your regular payment(s) by one month. You understand that interest will continue to accrue on your entire loan balance, including the amount of the skipped payment, and that skipping this payment means it will take longer to pay off your loan. You agree to pay a skip payment processing fee of \$20 for loan payments totaling \$250.00 or less and \$35 for loan payments totaling \$250.01 or more per loan. If there are not sufficient funds in your account to cover the fee, the processing fee will not be deducted, and the payment(s) will be due on your loan(s) in accordance with your Loan Disclosure Statement and Agreement. Payroll deduction will not be interrupted. The funds will remain in your regular savings account for withdrawal. Any credit life and/or disability on the loan will not extend beyond the original maturity date of the loan. Campbell Employees FCU reserves the right to refuse to honor this request if all terms of the Loan Disclosure Statement and Agreement have not been met. All other payment terms of your Loan Disclosure Statement and Agreement will remain in full force and effect. You may not skip a payment if the skip payment will cause negative amortization on your loan.

Offer ends and all requests must be received by **June 30, 2018**.
