

## You Asked. We Listened.

Dear Valued Member,

Thank you for being a member of **Campbell Employees Federal Credit Union**. Since 1937, you've enjoyed a more personal way to bank—with courtesy, respect, and family-friendly values, the cornerstones of our vision.

Today, our commitment to you, our members, and the communities we serve remain the same.

At the end of 2018, we conducted a comprehensive member survey to discover what we are doing right and areas to improve. Specifically, the survey addressed service quality, product innovation and technology, and the services you use.

If you were one of more than 700 survey respondents who shared their experiences, thank you! Your feedback is essential.

Now it's our turn to work on creating an even brighter future.
