- Fee can only be taken from your Campbell FCU savings or checking account, not another financial institution.

Federally insured by NCUA.

This Addendum amends your Loan Disclosure Statement and Agreement regarding your loan payment. By signing this agreement, you request that Campbell FCU extend the due date of your regular payment(s) by one month. You understand that interest will continue to accrue on your entire loan balance, including the amount of the skipped payment, and that skipping this payment means it will take longer to pay off your loan. Therefore, in the first month following the skipped month, the interest due on your loan will be greater. You agree to pay a skip payment processing fee of \$20 for loan payments totaling \$250.00 or less and \$35 for loan payments totaling \$250.01 or more per loan. If there are not sufficient funds in your account to cover the fee, the processing fee will not be deducted, and the payment(s) will be due on your loan(s) in accordance with your disclosure statement and agreement. Payroll deduction will not be interrupted. The funds will remain in your regular savings account for withdrawal. Any credit life and/or disability on the loan will not extend beyond the original maturity date of the loan. Campbell FCU reserves the right to refuse to honor this request if all terms of the disclosure statement and agreement have not been met. All other payment terms of your Loan Disclosure Statement and Agreement will remain in full force and effect. You may not skip a payment if the skipped payment will cause negative amortization on your loan.

Members are limited to two Skip-a-Pays per loan, per year. Only one month per application. Applications are due by the end of the month preceding the month you wish to skip. For Example: To skip June's payment, your application must be received by May 31.
